

# Astrid Saxby

UI/UX DESIGNER & TEACHER

I'm Astrid, a UX designer located in the Northeast of England. Having transitioned from a teaching career, I've consistently had a passion for making intricate concepts comprehensible. I thrive on tackling challenges within tech projects, finding joy in problem-solving. My design ethos centres on clarity, simplicity and functionality. Beyond my professional pursuits, I'm an avid rock climber, continually seeking the next adventure.

## WORK EXPERIENCE

### UX DESIGNER & TEACHER

**(FREELANCE)** Jan 2023 - present

Combining a wealth of experience in the classroom with creating good UX app design.

### SCIENCE & ICT HEAD OF DEPARTMENT

Sunbeck Centre (PRU), Northallerton, N. Yorks

Jul 2005 – Dec 2023

Teaching with teenagers who were disengaged from education and out of mainstream school. With my careful design of resources, tasks and personal rapport I developed a positive learning environment. Consistently my academic results in Science & ICT were the highest in the school.

**FULL-TIME MUM** Jan 2004 – Jul 2005

### SCIENCE TEACHER

Acklam Grange School, Middlesbrough,

Sept 1998 – Dec 2004

Planning & delivering high quality GCSE science education to secondary school students.

### EDUCATIONAL SERVICES CO-ORDINATOR

Social Services Co. Durham, Mar 1995 – Sept 1997

A high proportion of the children in care did not go to school.

I set up systems across both the education and the social services departments across Co. Durham to improve educational opportunities for these children. I monitored the school attendance which showed a gradual increase despite the complex problems involved. I presented a paper to the County Council to instigate strategic reform to the system.

## SKILLS

Information Architecture

Usability testing

Workshop facilitation

Project management

User research

Wireframing

Prototyping

UI design Figma

Figjam / Notion

HTML / CSS / JavaScript

## EDUCATION & LEARNING

CareerFoundry Frontend Development

Sept 2023 – Nov 2023

Developed a website to showcase my portfolio.

CareerFoundry UX Immersion Course

June 2022 – Sept 2023

Designed a fitness app for climbers to recover from injury allowing users to book a physio appointment online.

Conducted user research, produced an interactive prototype with Figma and implemented feedback to refine designs to me WCAG standards.

Feedback praised the clear, uncluttered way that the app worked.

# Astrid Saxby

UI/UX DESIGNER & TEACHER
